• All customer funds intended for the use in future gambling and or lottery subscriptions will be held in a separate bank account or accounts relating to the relevant affiliated charity lottery and will be completely separate from the Charity's trading income.
 • We are required by our licence to inform customers about what happens to funds which we hold on account for you, and the extent to which funds are protected in the event of insolvency. www.gamblingcommission.gov.uk/consumers/protection-of-customer-funds.aspx We hold customer funds separate from Charity's funds. This means that steps have been taken to protect customer funds but that there is no absolute guarantee that all funds will be repaid. This meets the Gambling Commission's requirements for the segregation of customer funds at the level: medium protection.
 • The licensee operates a strict no 'cash policy' to prevent the risk of crimes such as money laundering, to avoid the giving of illicit credit and to provide assurances that gambling activities are being conducted fairly.
